

***Request for submission of my visa  
application by a third person***

I'm aware that a personal submission at the consulate of all my documents for the visa application is principally necessary.

Due to important reasons, this is unfortunately impossible for me.

I therefore kindly request the submission of my visa application by a third person and authorise

Mr. / Mrs. .... ,

born ..... / ..... / .....,

to submit all my documents at the consulate general in Frankfurt.
